## President's Message

### It's a new year - what's coming?

Happy New Year – still no snow....

Post holiday greeting to you and your family. I hope the holidays were safe and happy ones. The New Year always brings high hopes for so many things, personally, professionally and spiritually to either change for the better or to resolve what has not been finished for yet another year. Perhaps that's why it's called a New Year's celebration – let's hope for the best in 2016 and make each day count a little more than the last one.

I want to thank all of our volunteers on the Board and all of our residents for helping the neighborhood continue to grow. I know some days are more of a challenge than others, but as we work together, we continue to grow as a village within the city structure. We have had our share of issues this past year – some positive advancement and some setbacks – but we always seem to rally as volunteers.

This year we will see an additional advancement with our CDC program along with the new Rental Property Pilot Test from the City of Detroit to improve code enforcement and engage a better standard to the Village of Choice. All of our 2015 Board members

are back in various ways, and we have added some new faces as well. I want to thank the entire 2015/2016 team for their commitment to the village, the city and the team.

We were so happy to see so many residents decorate for the holiday – several properties that were dark for so long now had bright Christmas lights aglow waiting for Santa to appear once again down the chimney . . .

Code enforcement will be the main topic for the January meeting with special guest Captain Mark Bliss reviewing 2015 and the grand opening of the new 5th Precinct Police Station. As a community, we all deserve and expect to see our neighboring properties

well maintained and kept in great shape. We will also review issues that have been brought up in the last months of the year.

Once again as neighbors we ask you to come together and support our general services (security and snow removal) for 2016. If you are new – WELCOME! If you're an established resident of EEV and live within the borders of East Outer Dr/ Whittier Rd and Cadieux Rd, Mack

Ave to Harper Ave, we need you as fellow residents to help do your part. Plowing can cost a minimum of \$4000 per plow for the entire village area. Snow plowing is determined based on amounts we have collected each year as well as the weather projections. The collection process goes from November to April – monies not spent on seasonal maintenance issues roll to the next year to use for the same services. Remembering last winter's continuous snowfall, it's scary to think of the consequences - if we don't plow! Please remember to shovel for the postman and your neighbor... we've been very fortunate this season!

Our security team is continuing and deterring crime

# 5th Precinct Grand Opening

December 16 brought a much-anticipated Ribbon Cutting/Grand Opening of our new Detroit Police Dept. 5th Precinct headquarters.

Many DPD officers as well as Board Members and residents from EEV attended and heard words of congratulations and encouragement extended to Captain Mark Bliss. Honored guests included Mayor Mike Duggan, DPD Chief James Craig, Lieutenant Steve Dolunt, Council President Brenda Jones, Councilman Andre Spivey and 5th Precinct Community Relations Council President Anthony Zander.

Despite being a week before Christmas, it was standing room only with more than 200 in attendance. Chief Craig stated: "We have made a vow to our citizens that we were going to make our neighborhoods amongst some of the safest in the country and putting our precincts back in locations where all citizens will have access to them is just one more step toward meeting that goal."

Positive energy and excitement was evident at the event. This beautiful facility will serve as a central community base and further strengthen the strong relationships between our outstanding officers and the residents of the 5th Precinct.

Please note: The East English Village Association does not endorse any advertisers, political parties, candidates or businesses.

### Pet corner

# How well can your pet handle the cold?

Happy post Christmas, New Years and all the special holiday celebrations of our EEV neighbors. Hope you were left with a sense of peace, joy, harmony and love for each other and the special neighborhood we call home as well as for our furry friends that live among us.

We have been blessed (global warming?) with unseasonably warm weather so far this winter. However, believing that Old Man Winter will still have something to say, let me give you some information that I thought interesting and perhaps helpful:

Longer-nosed animals can tolerate cold weather better

than short-nosed breeds of dogs.

Mouth breathers have a low tolerance for cold.

Frost bite is especially dangerous to the extremities, feet, ears, nose, and testicles.

Long ears are easily frost bitten.

If you know of an animal that does not have adequate shelter or care, please notify the Humane Society 313-872-3400. Animals can freeze to death.

Here's to a WONDERFUL NEW YEAR to everyone. For our pets who love and depend on us, let's make 2016 the best one yet. We will reap the benefits too!

— Karlene Trump

## Visions of gingerbread houses danced in their heads

Good food, drinks, music, dancing and a silent auction all were on the agenda at the 4th annual "I'm Dreaming of a (No) Blight Christmas Party" held this year on December 19 at the Alger Theater. Ulysses Jones was the winner of the Gingerbread House Contest, bringing in the highest bid. The proceeds will go to fight blight on the east side and will be shared with District 4 participating neighborhoods – EEV, Cornerstone, Morningside and Jefferson/Chalmers.

# EEV 2015 Holiday Party

On December 5, 150 EEV residents decked the halls of St. Clare at the Annual Holiday Party. The room was decorated in holiday style and Thornetta Davis rocked the room – entertaining all with beautiful Christmas songs. It was a great time to come together and celebrate with wonderful neighbors. From the many smiles and

laughter, it was apparent that the EEV families were happy to belong to such a great community that provided a wonderful kick-off to the holiday season. Special thanks to Events Chair Misty Carpus and her committee, as well as Sue Bourgeois, who was able to book Ms Davis for the party.

## Christmas lights keep shining on

The Village was alive and so festive with all the homes decorated with beautiful light displays and holiday decorations. Residents' visions were creative and inspiring, simple or elaborate, everything from traditional trees to neon lights and beyond! What a difference it made driving around the neighborhood – absolutely beautiful and such a boost to making EEV a safer and better lit community as well. PLEASE! PLEASE! PLEASE continue to keep your porch lights lit "DUSK TO DAWN". DPD confirms that this daily effort makes a huge impact in keeping our EEV neighborhood safe and goes a long way toward deterring crime.

# Medical marijuana ordinance passes

On December 17, the Detroit City Council approved an ordinance regulating medical marijuana dispensaries in the city. The vote was 6-1, with council member Scott Benson voting "no." (Council members George Cushingberry and Raquel Castaneda-Lopez were absent for the vote.)

The ordinance, effective March 1, will limit the growth of dispensaries in Detroit. Buffer zones of 1,000 feet will be in effect, precluding these facilities from locating near schools, churches, city parks, liquor stores and other dispensaries. Owners of existing storefront facilities, currently estimat-

ed at more than 150, will be required to submit an application, including a background check, for licensing. Any business in violation of the 1000-foot rule would have 30 days to relocate or the business will be shut down.

Continued from Page 1

opportunities the best way possible. We continue to work with the officers of the 5th Precinct.

The private patrol is entering into its 13th year with your continued financial help. The patrol is there as a visual deterrent. The security payment is \$100, or less, depending on senior discounts. If someone told you that these well-known services are free, they are wrong! It takes all of us to help keep the services we depend on moving forward each year. Please send in your donation by mail (see the form on Page 10) or by PayPal, via eastenglishvillage.org. We offer payment programs, and we take

credit cards. Please help in some way! If dollars are tight, then please try to help in other ways – porch lights on “dusk to dawn,” put your car in your garage or behind the fence to help deter possible crimes, volunteer to drive. Many of you watch out for your neighbors . . . it’s a big thing and it’s appreciated by so many in the village.

In December we held our annual holiday party – what a great night of merriment with friends and neighbors, including three new infants! We had about 150 people for dinner. Great thanks to Misty Carpus, our new EEV Events Chairperson (who is also a new mom herself), along with the many volunteers who helped orchestrate the event. A special treat was the live music performed by

none other than Thornetta Davis, a Detroit icon of jazz music.

Thanks to all who participated in so many events this past year, including village cleanups, registered volunteer drivers and event volunteers.

We have many hot topics and positive issues we need to address this year to keep our neighborhood one of choice. The foreclosure issues are still present, but we are working hard as ever to keep the homes on track. We will cover the housing issues as well as reviewing our options on upkeep and EEV events for 2016.

Please continue to check on outside pets as the weather changes!

Happy New Year,  
*Bill Barlage, President*

## Thank you Garden Club!

A huge shout-out and sincere thank you to the Garden Club members who decorated the EEV signs for the holiday season. BEAUTIFUL! These efforts set our neighborhood apart from others and make a quality of life difference to all who travel throughout the Village. Thank you David Trott and all the Garden Club members.

## Security and volunteer patrol

You regularly hear or read encouragements or even admonishments to be active community members, driving through the neighborhood as a residential watching eye, caring for your own home as well as being mindful of neighbors who might not be as able as yourself such as seniors or families who are going through a rough patch. It's common to do something considerate or just plain nice because of how it makes you

feel – good.  
 It's because of this simple feeling of goodness and concern that makes living in EEV all the more worthwhile.
